

Yuma Audubon Society Membership Application

Join Yuma Audubon today to receive the newsletter, learn about exciting programs and field trips, and support local issues of concern for our environment. Those of you who are members of National Audubon Society no longer are supporting local chapters through your membership in the national organization. Therefore, we are asking you to help the local chapter meet expenses related to the newsletter, postage, room rental, etc. Donations are tax deductible as YAS is a 501(c)3 organization.
